

What courses will you find on the OnlineWSB platform?

Classes (subject-related, lectures, e-learning language courses, elective subjects, e-examination and open courses) carried out on the OnlineWSB platform can be found in the **Courses** tab. Courses are organised in categories.

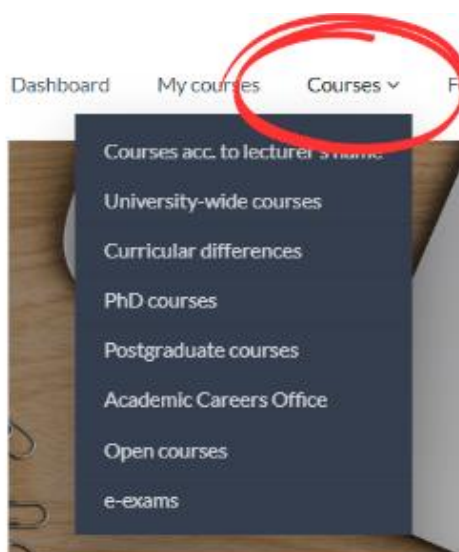

When there are subjects in the form of e-learning in your schedule – on the OnlineWSB platform you will find the **subject e-courses** in the **My Courses** tab. You are automatically enrolled into them. **If you do not see the course in the “My Courses” tab – ask a teacher about it. Ask for a course title or a link to it and a password for self-enrollment.**

How to find a course which you are not enrolled in on the platform?

To search for an **e-course**, use:

1. The “Courses” tab in the top navigation bar of the OnlineWSB website

or

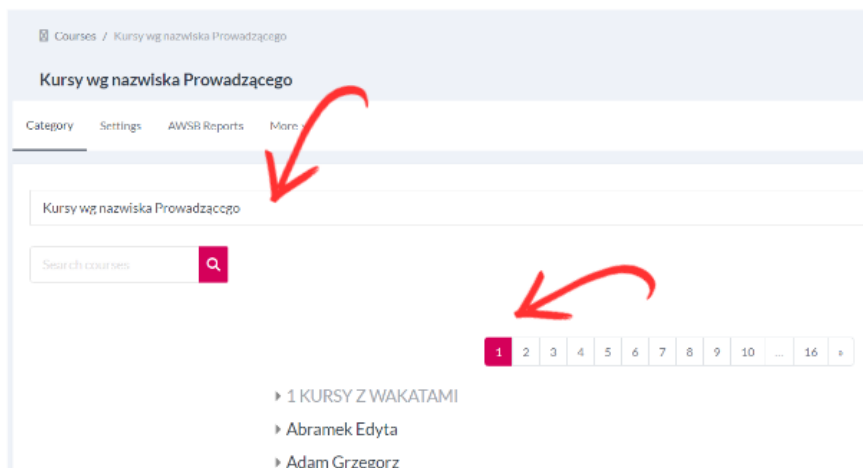

2. Site search above the navigation bar

To search for a course using the name of the course or the teacher's name:

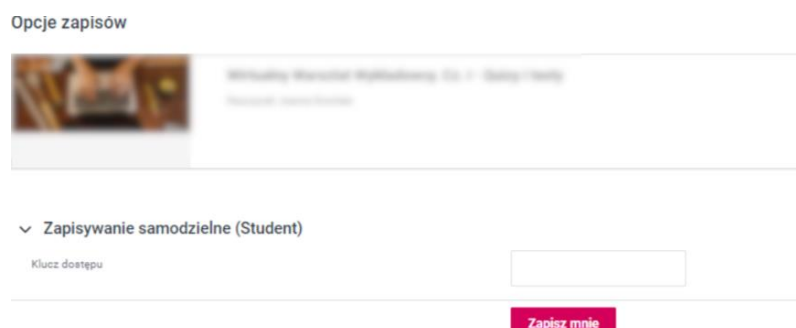

a) After selecting the **“Courses”** tab, select the option **“Courses by Teacher's Name”**, and then click on it.

B) Then search for a teacher from the alphabetical list of teachers' names and click.

C) You will see the list of teachers' courses. Select the subject course you want to enrol into.

D) To enter a course that has a password, enter the password and click on **“Enrol me”**. Ask the teacher for a password.

Where can you ask for help with the OnlineWSB platform?

The OnlineWSB platform is administered by the **Center for Modern Methods and Educational Technologies of WSB University**
